

FALL FESTIVITIES.

St. Louis Extends a Cordial Welcome to All.

The city of St. Louis has become famous the country over through the agency of her annual Fall Festivities, and from that source has gained the sobriquet of the "Carnival City of America."

For the season of 1892 all previous efforts in the line of entertainment will be eclipsed. The great St. Louis Exposition will throw its doors open to the public Wednesday, September 7th, and will continue to entertain and delight thousands during a period extending over forty days. One of the chief attractions announced by the management is the engagement of Col. P. S. Gilmore and his world-renowned band, one hundred strong. The illumination by gas and electricity of the streets will extend over a larger area and be on a grander scale than any similar exhibition ever attempted in the world. The thirty-second great St. Louis Fair and Zoological Gardens, Oct. 3d to 8th, whose fame has been heralded broadcast, will be one of the main attractions of that week, and as has been customary for the last thirteen years the Veiled Prophet will again appear in his favorite city, on the evening of Tuesday, October 4th. The hotel accommodations of St. Louis have been materially increased since last year and strangers are assured of hospitable treatment.

The Missouri Pacific Railway and Iron Mountain Route, with their vast network of lines extending over the States of Missouri, Kansas, Nebraska, Colorado, Indian Territory, Arkansas, the West, South and Southwest, in order to encourage travel, have made a remarkably low round trip rate from points on their lines to St. Louis and return during the Festival season.

Suggestion For a Summer Trip.

If you wish to take the trip of a lifetime, purchase the low rate excursion tickets sold by all principal lines in the United States and Canada via the Northern Pacific Railroad to Yellowstone National Park, Pacific coast and Alaska.

The trip is made with the highest degree of comfort in the elegant vestibuled trains of the Northern Pacific Railroad, which carry dining cars and luxurious Pullman sleeping cars from Chicago, St. Paul and Minneapolis to Montana and the Pacific coast, without change, and special Pullman sleepers from St. Paul and Minneapolis to Yellowstone Park.

The scenery en route is the most magnificent to be found in the seven states through which the road passes. Beautiful mountains, rivers, valleys, lakes and plains follow each other in rapid succession to delight the tourist, who will also find interest in the agricultural, mining, lumbering, industrial and other interests associated with the development of the great Northwest.

The crowning glory of the trip through the Northwest, however, is the visit to Yellowstone Park, the land of hot springs, geysers and gorgeous canyons, and to Alaska with its endless ocean channels, snow-capped peaks, Indian villages and giant glaciers.

If you wish to investigate this suggestion further send to Charles S. Fee, General Passenger Agent, N. P. R. R., St. Paul, Minn., for copies of the handsomely illustrated "Wonderland" book, Yellowstone Park and Alaska folders.
